

WELCOME TO THE MILLS PARK BAND!

*In the coming days, your child will be bringing home a lot of information.
Right now, there are two important items that need to be completed.*

STEP ONE – COMPLETE THE STUDENT INFORMATION FORM. Here's how:

As soon as possible, go to www.millsparkbands.com, and click on the link to fill out the online student information form. This form is vital to my ability to communicate effectively with over 200 band families. This needs to be done no later than **Thursday, August 26**. If you do not complete this form, you will not receive my emails regarding grades, concert performances, and other important updates. If you have a Harris Teeter VIC card, please have it handy when completing the form, as you will be able to link your number to our band booster organization, which helps us raise funds for our band program on a quarterly basis.

STEP TWO – OBTAIN AN INSTRUMENT. Here's how:

It is recommended that beginning students rent their instruments for at least the first few months so that we can be sure they are on the instrument that suits them. For your convenience, Music and Arts will hold an online rental meeting for us. At the meeting, you will be able to rent an instrument for your child as well as pay for additional supplies such as the band book, clarinet reeds, music stands, etc. The entire process normally takes a little less than an hour. Below, you will find the information for our instrument rental meeting. If your child already has an instrument, you can still attend the meeting to purchase additional supplies if you wish. See you then!
